## REACH Declaration of conformity

Metall-Express Sp. Z o.o. hereby declares that its articles, made of copper, comply with the requirements of Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 on the Registration, Evaluation, authorization and Restriction of Chemicals (REACH) and on establishing a European Chemicals Agency, with all amendments and updates.

Based on the TR2142580 report, we conclude that the subject matter of the study described as **Copper wire Cu-OF, Cu-OFE, Cu-ETP, copper flat bar, copper profile, copper rod Cu-OF, Cu-OFE, CU-ETP** does not contain any substances of very high concern (SVHC<sup>1</sup>) listed on the ECHA candidate list at concentrations greater than 0.1% (1000 ppm). Therefore, the requirement of Article 7(1)(b) of the REACH Regulation on the registration of substances in articles does not apply in this case.

Note 1: The most recent list of SVHC substances can be found at: <http://echa.europa.eu/candidate-list-table>. It is regularly monitored by us. In the event of the occurrence on ECHA candidate list of a substance, which is likely to appear in our articles, this declaration will be updated.
